If there is a second offense from a team, the entire team will be asked to leave immediately. If you need to use your electronic device during a round of questions, leave your table before getting on the electronic device. You can return to your team table at the end of the round after the team answer sheet has been turned in. There will be no refund of entry fee money if asked to leave. Our Celebrity Referees will be watching!!
2. Teams consist of up to 10 individuals.
3. There will be 10 categories/rounds. Each category/round will consist of 10 questions worth 1 point each. There will be four bonus questions worth 1 point each.
4. Each team will write one answer per question. Remember to write legibly. Answer sheets will be picked up at the end of each round and the celebrity scorekeepers will score each sheet. While the answer sheets are being scored, the correct answers will be given for each question.
5. Each question will be read aloud by the emcee and appear on the video screen.
6. Mulligan Coupons are available in a packet of 3 coupons for \$30. Basically a mulligan coupon is the correct answer for a question, so write "MULLIGAN" on the answer line when you want it to be the answer. Only one mulligan coupon can be used per category/round and must be turned in at the same time as the team answer sheet. A mulligan coupon is worth 1 point therefore it can not be used to answer a bonus question. Only one packet or 3 mulligan coupons can be purchased and used per team.
